

European Schoolnet

Transforming education in Europe

@eu_schoolnet

europeanschoolnet

EUROPEAN SCHOOLNET – WHO ARE WE

Founded in **1997**.

Based in **Brussels**, it counts about **60 staff**.

Our members: 30 Ministries of Education
from across Europe

- Independent from the European Institutions
- Work a lot with European Commission but also with MoE, universities, companies...
And of course with schools and teachers!

WHAT DO WE DO...

Grand Coalition
for Digital Jobs

1 - EVIDENCE-BASED ACTIVITIES

2 - SUPPORT TO SCHOOLS AND TEACHERS

The community for schools
in Europe

The free and safe platform for teachers to connect, develop
collaborative projects and share ideas in Europe

338781 Teachers · 45126 Projects · 148926 Schools

Future
Classroom
Lab

fcl.eun.org | #fcl_eu

- To **rethink** the role of **pedagogy**, teaching and design.
- To be aware that **technology**, **furniture** and **design** can facilitate teaching.
- To help **visualize** how conventional classrooms can be easily **reorganized** to support changing styles of teaching and learning
