# Dance Pilot Overview

- Content: Drawn from regional, national and private archival collections of partners and from Europeana.
- Embraces contemporary dance, classical ballet, other theatrical forms, social and popular dance forms, folk, nation and indigenous dance forms.

# Aims

- Create a general framework for working with dance content and the metadata accessible through Europeana;
- Produce two innovative models of content re-use: one for research, one for leisure.

# Content pages

- Range of material from Europeana database and other artists.

# Friends of Dance Pilot

- Dance Co. and artists from UK, EU, and Australia.

Two Dance applications: DancePro & DanceSpaces

# DancePro

- “Creation Tool”- A Video Annotator to work as digital note-book to support choreographic processes in real-time

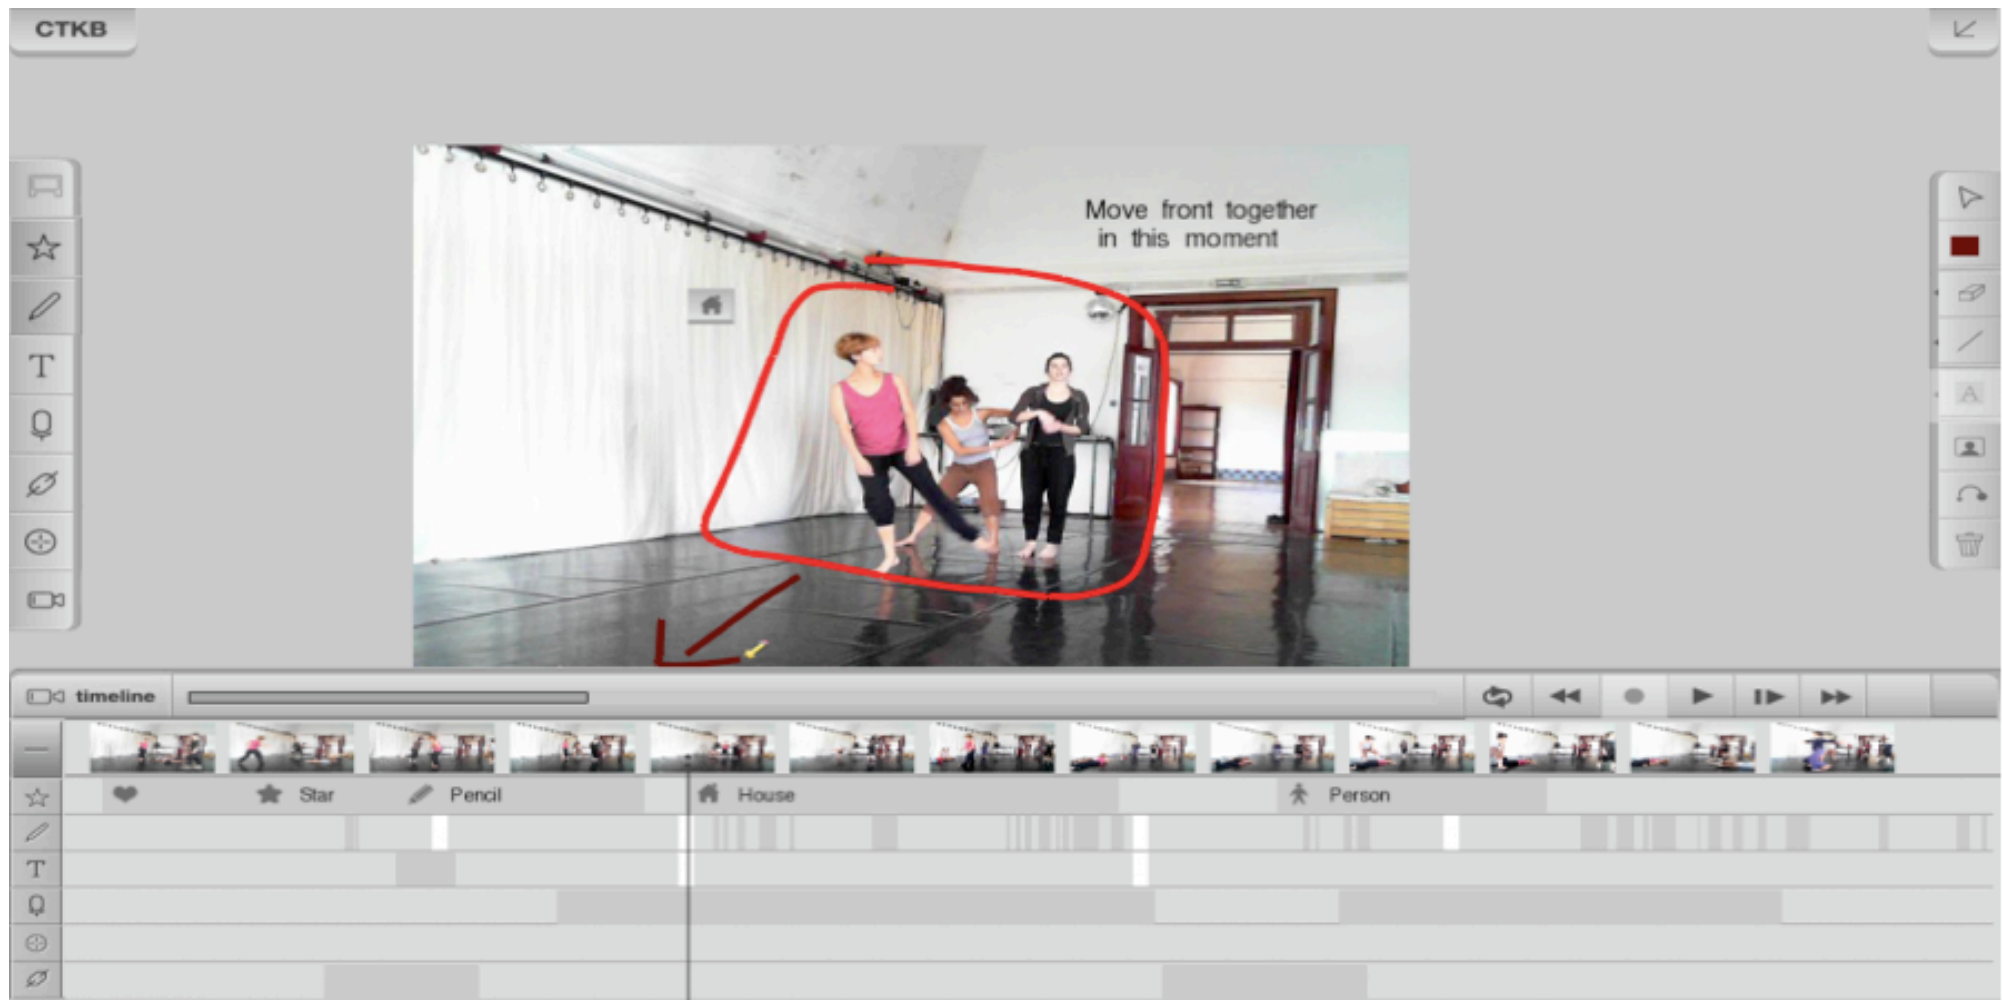

Allowing 5 different types of annotation:

- Text annotations;
- Drawing (touch-pen) annotations;
- Customizable iconic marks;
- Audio annotations;
- URL Links overlaying the videos;

Allowing 3 different video modes

- Continuous mode
- Delay mode
- Suspended mode
